ABOUT US

Al Fajr Al Ahmar, proudly serves as an authorized distributors of a diverse range of registered brands. Our extensive product lines encompass a wide array of items, each meticulously sourced and manufactured in regions across Asia, the Middle East, and Europe.

As a company dedicated to providing the best, we ensure that each item we offer has undergone stringent quality control and adheres to international standards. We take pride in our role as a conduit for delivering exceptional products from three diverse continents, offering a unique fusion of global craftsmanship and innovation.

- **VISION**

Transforming Saudi Arabia's construction landscape through innovative, sustainable, and high-quality building materials, enhancing efficiency and sustainability in every structure we help build.

- **MISSION**

To provide superior quality building materials that exceed industry standards, empower local construction projects with innovative solutions, and contribute to Saudi Arabia's sustainable development goals.

DAKOTA®

Made in Italy

Channels & Gratings

Class of Loading
